OPENING WINDOWS OF OPPORTUNITY!

Celebrating our 100th anniversary, the Evanston Woman's Board is the original auxiliary board of the Northwestern Settlement House. To mark our centennial, we are raising funds to replace the windows at the House.

Historically accurate and energy efficient, the House sorely needs these new windows, which will save money in heating and cooling for generations. And yet new windows do more than save money. They keep children warm in winter during story time. They keep seniors cool in summer during bingo games. And they let the sun shine on families who walk across our doorstep to attend events or visit the food pantry.

The Settlement helps low income families and individuals take personal responsibility, explore opportunities and options, and become or remain self-sufficient by providing a central point of access to social and specialized services, education, arts and collaborative programs.

All proceeds will go toward restoring the windows at Settlement.
