

## Lift a fork for Settlement in January!

With the help of five top Evanston restaurants, we have put together a fun, easy and absolutely delicious way to contribute to Northwestern Settlement.

For one evening each during the week of January 25th, the Evanston locations of these five restaurants: [Davis Street Fishmarket](#), [Koi Chinese, Sushi and Sake Lounge](#), [Merle's #1 Barbecue](#), [Pete Miller's Seafood and Prime Steak](#), and [Tommy Nevin's Irish Pub](#), will donate 20 percent of all sales from all Settlement customers (excluding tax and tip) back to Settlement.

Here's how it works:

1. Call or make a reservation online for any (or all!) of these dates at these great restaurants:

**Monday January 25th:** Tommy Nevin's Irish Pub

**Tuesday, January 26th:** Koi Chinese, Sushi and Sake Lounge **AND** Merle's Barbeque

**Wednesday, January 27th:** Davis Street Fishmarket

**Thursday, January 28th:** Pete Miller's Seafood and Prime Steak

2. Print out and present this e-mail to the host.
3. Enjoy dinner with your family and friends. The restaurants will make the donations.

It's that easy! You will also have the opportunity to join the Frequent Diner Program at Merle's, Davis Street and Pete Miller's at no charge (a \$20 value) and receive a \$20 dining certificate good on your next visit to any of these highly rated restaurants. You will receive a membership form and details when you dine.
