

Style Under the Stars is a Stellar Success!
by Julie Montgomery

On September 20th, the Winnetka Board inaugurated its first ever evening Fashion Show, *Style under the Stars* to benefit Northwestern Settlement. “It was a spectacular event,” according to co-chair Lucy Myers. “We had a New York-style runway show, great lights and fabulous music. We had a sold out crowd with 400 women joining us.” The setting was the beautiful Sunset Ridge Country Club in Northfield, Illinois. After enjoying cocktails and canapés, guests were ushered into the salon for the Runway Show. “You could literally feel the renewed energy and positive vibe in the room,” said co-chair Connie Magnuson. 80 North Shore men, women, and children modeled the fall’s exciting fashions. Other models included Ron Manderschied and Glenn Dalhart from the Settlement. Bill Olsen and six Noble Street students represented the High School. Nineteen retailers participated and provided “must-have” clothes, furs, jewelry, shoes and accessories. A raffle of spectacular packages also created much interest and contributed to the financial success of the evening. The Winnetka Board is grateful for the support of all the models, retailers, attendees and donors that made the event so successful. They look forward to donating the profit earned at this event to support the programs and services at the Settlement.
